Dear Business Owner,

I would like to share with you a bit about what ShoeString Community Players has been doing since we have moved into our new theater space in September. We hit the ground running with getting settled in and getting shows started and open to the public and by the end of the year we produced 4 shows. Thus far we have held a theater camp over spring break and children's theater show in May and just wrapped up a Radio Theater show in early June. We are currently in rehearsal for a murder mystery for August and Talent show has been proposed and a middle school aged show will run in November. October plans are in the works. Our organization is run on all volunteers that find it so important to have fine arts available to all ages in our community. Continued support from local businesses and members of our community is essential to support our mission. Please take a moment to look over the sponsorship information for the coming season. Please contact us if you have any questions about our form. Please note the deadline of August 5<sup>th</sup> on the form. However if you would like to discuss that deadline date please feel free to contact us. On or before we will have a ShoeString representative stopping by to answer any questions you may have if you have not already mailed in your sponsorship.

I want to thank you very much for your time to look this over and support us. ShoeString Community Players has been in the community for 37 years and we would like to continue for many more.

Thank you,

Shannon Vaerewyck

SSCP President
